

## A

### **ABCD scoring system**

Dermoscopic features of acral melanocytic nevi in Central Anatolian Region of Turkey, 53

### **Acne fulminans**

SAPHO syndrome associated with acne fulminans in an adolescent patient, 76

### **Acne vulgaris**

Evaluation of the use of complementary and alternative therapy in patients with psoriasis and acne vulgaris, 60

Assessment of the role of vitamin D and interleukin-17 in the pathogenesis of acne vulgaris, 68

Evaluation of ischemia-modified albumin levels in acne vulgaris patients, 84

### **Acral melanocytic nevus**

Dermoscopic features of acral melanocytic nevi in Central Anatolian Region of Turkey, 53

### **Allergic contact dermatitis**

Evaluation of occupational dermatitis cases, 44

### **Alopecia areata**

Evaluation of hearing with pure-tone audiometry in alopecia areata patients, 19

### **Androgenetic alopecia**

Serum prostate specific antigen levels in women with androgenetic alopecia, 1

### **Atypical variant**

The evaluation of variants, subtypes and atypical forms of mycosis fungoides in a tertiary hospital, 140

### **Audiometry**

Evaluation of hearing with pure-tone audiometry in alopecia areata patients, 19

## B

### **Breast cancer**

Cytopathology of zosteriform cutaneous metastases from breast cancer with Tzanck smear: Report of a case with histopathological correlation, 36

### **Bullous pemphigoid**

Ustekinumab associated bullous pemphigoid in a psoriasis patient and a review of the literature, 32

## C

### **Childhood psoriasis**

Dermoscopic nail findings in childhood psoriasis, 106

### **Chronic spontaneous urticaria**

Omalizumab in chronic spontaneous urticaria treatment: Real life experiences, 145

### **Complementary and alternative therapy**

Evaluation of the use of complementary and alternative therapy in patients with psoriasis and acne vulgaris, 60

### **Condyloma lata**

Can you read the alphabet of secondary syphilis?, 165

### **Contact dermatitis**

Frequent contact allergens in Ankara/Turkey: A retrospective study of patch test results, 49

### **Corynebacterium minutissimum**

Erythrasma frequency in patients with interdigital maceration, 97

## D

### **Dermatologic surgical procedures**

Paying attention to facial cosmetic units in dermatologic surgery pays back, 167

### **Dermatology life quality index**

Effect of pulsed dye laser therapy on dermatology quality of life in patients with rosacea, 93

### **Dermatophytosis**

A case of tinea corporis with endothrix type hair involvement, 116

### **Dermoscopy**

Dermoscopic features of acral melanocytic nevi in Central Anatolian Region of Turkey, 53

Pigmented Bowen's disease (Bowenoid Papulosis) dermoscopically mimicking melanoma, 73

Dermoscopic nail findings in childhood psoriasis, 106

### **Duncan's dirty dermatosis**

Terra-firma forme dermatosis: Report of three cases, 150

## E-F

### **Endothrix**

A case of tinea corporis with endothrix type hair involvement, 116

### **Erythrasma**

Erythrasma frequency in patients with interdigital maceration, 97

### **Erythroderma**

Erythroderma associated with secondary syphilis: A case report of unusual presentation and resurgence of the great imitator, 154

### **Excisional wound**

The effects of topical liposomal resveratrol on incisional and excisional wound healing process, 128

### **Extragenital**

Spontaneous regression of pediatric extragenital lichen sclerosus: A case report, 113

### **Filiform**

Idiopathic palmoplantar filiform hyperkeratosis successfully treated with systemic isotretinoin, 119

## G

### **Genital warts**

Vestibular papillomatosis mimicking genital warts in a pregnant woman, 122

### **Granulomatous disease**

A case of sarcoidosis diagnosed via skin involvement, 78

## H-I

### **Hamartomatous adnexal tumor**

A case of linear syringocystadenoma papilliferum of the axilla: A rare location, 38

## **Hand-foot syndrome**

Evaluation of hand-foot syndrome and hand-foot skin reaction: Case series, 28

## **Herpes Zoster**

Cytodiagnosis of zosteriform cutaneous metastases from breast cancer with Tzanck smear: Report of a case with histopathological correlation, 36

## **Hidradenitis suppurativa**

The efficacy of adalimumab therapy in refractory hidradenitis suppurativa: Retrospective analysis, 101

## **Hyperkeratosis**

Idiopathic palmoplantar filiform hyperkeratosis successfully treated with systemic isotretinoin, 119

## **Inducible urticaria**

Evaluation of the treatment responses with the recommended tools in patients with symptomatic dermatographism, 135

## **Interdigital maceration**

Erythrasma frequency in patients with interdigital maceration, 97

## **Ischemia-modified albumin**

Evaluation of ischemia-modified albumin levels in acne vulgaris patients, 84

## **L**

### **Laser therapy**

The first-year experience of a university hospital laser unit, 7

### **Lentigo**

The first-year experience of a university hospital laser unit, 7

### **Lichen sclerosus**

Spontaneous regression of pediatric extragenital lichen sclerosus: A case report, 113

### **Liposome**

The effects of topical liposomal resveratrol on incisional and excisional wound healing process, 128

### **Lymphoma**

Diffuse large B-cell lymphoma, leg type: A case report, 161

## **M-N-O**

### **Mast cell**

Omaliuzumab in chronic spontaneous urticaria treatment: Real life experiences, 145

### **Melanoma**

Pigmented Bowen's disease (Bowenoid Papulosis) dermoscopically mimicking melanoma, 73

### **Metabolic syndrome**

A cross-sectional study investigating association of liver diseases in moderate to severe psoriasis patients, 15

### **Mohs surgery**

Paying attention to facial cosmetic units in dermatologic surgery pays back, 167

### **Multikinase inhibitors**

Evaluation of hand-foot syndrome and hand-foot skin reaction: Case series, 28

## **Mycosis fungoides**

The evaluation of variants, subtypes and atypical forms of mycosis fungoides in a tertiary hospital, 140

## **Non-alcoholic fatty liver disease**

A cross-sectional study investigating association of liver diseases in moderate to severe psoriasis patients, 15

## **Occupational dermatitis**

Evaluation of occupational dermatitis cases, 44

## **Omaliuzumab**

The efficacy of omaliuzumab therapy in chronic spontaneous urticaria: A retrospective analysis, 65

Evaluation of the treatment responses with the recommended tools in patients with symptomatic dermatographism, 135

Omaliuzumab in chronic spontaneous urticaria treatment: Real life experiences, 145

## **Onychoscopy**

Dermoscopic nail findings in childhood psoriasis, 106

## **Oral ulcer**

Riga-Fede disease like ulcers in old age: A case report, 157

## **P-R**

### **Patch test**

Evaluation of occupational dermatitis cases, 44

Frequent contact allergens in Ankara/Turkey: A retrospective study of patch test results, 49

### **Pernio**

Demographic findings of patients diagnosed with pernio and comparison of their vitamin B12, folate and ferritin levels with a control group, 88

### **Pigmented Bowen's disease**

Pigmented Bowen's disease (Bowenoid Papulosis) dermoscopically mimicking melanoma, 73

### **Plaque mucous**

Can you read the alphabet of secondary syphilis?, 165

### **Polyneuropathy**

Polyneuropathy developing after infliximab therapy in a patient with recalcitrant pyoderma gangrenosum, 24

### **Prostate specific antigene**

Serum prostate specific antigen levels in women with androgenetic alopecia, 1

### **Psoriasis**

A cross-sectional study investigating association of liver diseases in moderate to severe psoriasis patients, 15

Ustekinumab associated bullous pemphigoid in a psoriasis patient and a review of the literature, 32

Evaluation of the use of complementary and alternative therapy in patients with psoriasis and acne vulgaris, 60

### **Pulsed dye laser**

Effect of pulsed dye laser therapy on dermatology quality of life in patients with rosacea, 93

### **Pyoderma gangrenosum**

Polyneuropathy developing after infliximab therapy in a patient with recalcitrant pyoderma gangrenosum, 24

## **Resveratrol**

The effects of topical liposomal resveratrol on incisional and excisional wound healing process, 128

## **Riga-Fede disease**

Riga-Fede disease like ulcers in old age: A case report, 157

## **Rosacea**

The first-year experience of a university hospital laser unit, 7  
Effect of pulsed dye laser therapy on dermatology quality of life in patients with rosacea, 93

## **S**

### **SAPHO**

SAPHO syndrome associated with acne fulminans in an adolescent patient, 76

### **Sarcoidosis**

A case of sarcoidosis diagnosed via skin involvement, 78

### **Secondary syphilis**

Can you read the alphabet of secondary syphilis?, 165

### **Skin transplantation**

Paying attention to facial cosmetic units in dermatologic surgery pays back, 167

### **Symptomatic dermographism**

Evaluation of the treatment responses with the recommended tools in patients with symptomatic dermographism, 135

### **Syphilis**

Erythroderma associated with secondary syphilis: A case report of unusual presentation and resurgence of the great imitator, 154

### **Syringocystadenoma papilliferum**

A case of linear syringocystadenoma papilliferum of the axilla: A rare location, 38

## **T**

### **Terra-firma forme dermatosis**

Terra-firma forme dermatosis: Report of three cases, 150

### **Tinea corporis**

A case of tinea corporis with endothrix type hair involvement, 116

### **TNF- $\alpha$ inhibitors**

Polyneuropathy developing after infliximab therapy in a patient with recalcitrant pyoderma gangrenosum, 24

### **Tzanck smear**

Cytodiagnosis of zosteriform cutaneous metastases from breast cancer with Tzanck smear: Report of a case with histopathological correlation, 36

## **U**

### **Ulcer**

Diffuse large B-cell lymphoma, leg type: A case report, 161

### **Urticaria**

The efficacy of omalizumab therapy in chronic spontaneous urticaria: A retrospective analysis, 65

## **V**

### **Vestibular papillomatosis**

Vestibular papillomatosis mimicking genital warts in a pregnant woman, 122

## **W**

### **Wood lamp examination**

Erythrasma frequency in patients with interdigital maceration, 97
