Dear Colleagues,

We are delighted to welcome you to the first special issue of the Journal of ETA Maritime Science (JEMS), which has been edited by experts on maritime science.

This is the first special issue contains collections of papers on maritime topic which they were presented in V. National Maritime Congress held in Istanbul on 13th of November 2013. They were compiled by editors who are responsible for the selection of contributions to maritime sector.

The JEMS publishes full length research papers with significant novelty and scientific impacts which improve our understanding of the maritime subjects.

As always, we welcome your input and involvement. Please do not hesitate to contact us at:
